Safeguarding Children and Vulnerable Adults Policy for Forest Methodist Circuit (35/33)

This policy was agreed at the Circuit Meeting held on 20th June 2019 It will be reviewed in June 2020

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation of humans in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

The Forest Circuit is committed to the safeguarding and protection of all children, young people and adults and affirms that the needs of children or of adults when they are vulnerable and at risk are paramount.

The Forest Circuit recognises that it has a particular care for all who are vulnerable whether by disabilities or by reduction in capacities or by their situation. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

The Forest Circuit fully agrees with the statement reiterated in Creating Safer Space 2007:

As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.

The Forest Circuit recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual, discriminatory, domestic or institutional abuse or neglect, abuse using social media, human trafficking (slavery) or other modern abuses. It acknowledges the effects these may have on people and their development, including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.

The Forest Circuit commits itself to:

1. RESPOND without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the Church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust. It commits itself to providing informed pastoral care to those in need, including the supervision of those who have committed criminal offences.
2. Ensure the IMPLEMENTATION of Connexional Safeguarding Policy; government legislation and guidance and safe practice in the circuit and in the churches.
3. The PROVISION of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.
4. Maintain environments that:
 - are safer for all
 - promote well-being
 - prevent abuse
 - create nurturing, caring conditions within the Church for children, young people and adults.

It will work to continue to strengthen and review these environments. This will be done by training, support, communication, learning and quality assurance processes.

The Church will challenge any abuse of power within church communities by ensuring church officers adhere to safer working good practice and are supported to challenge bullying and abusive behaviour. It will ensure that processes are in place that listen to and advocate on behalf of children, young people and adults with the knowledge that they will be cared for.

Responsibility for those planning and leading the event

All those involved in leading and running the event must be aware of the procedure. The event should have been planned effectively and attention given to the following issues:

1. Risk assessment and suitability of the activity and the premises
2. The appointment of a team to take charge of the event, including safeguarding and first aid personnel (particular health or ability needs should be taken into account)
3. Numbers of children or vulnerable adults involved
4. Transportation following good practice guidelines.

This information is to be sent to the DSO PRIOR to the event being agreed for approval.
