The consent of a parent or guardian is essential for a child's name and/or picture to be published by the Church in any format.

The Methodist Church takes very seriously the protection of children from media intrusion and identification.

However, from time to time both children and the church like to have recognition of their activities and achievements published in Church magazines, the Media and/or web pages. We acknowledge that our publications are monitored by the Media whom we have no control over.

It is the practice of this Church to only identify children by their first names. Other information that would identify their date of birth, home address, electronic communication addresses or siblings is strictly prohibited.

I give my permission for my child to be include in photographs, videotaped or recorded interviews, and for the information collected by the media to be used as part of news stories to be published in print, internet, broadcast or video by the news media or the Methodist Church.

I understand that the images and/or filmed or audio recordings will not be used for commercial gain and will not be sold to anyone for commercial use.

Please indicate by checking the box below whether your child has permission to be photographed or filmed.

YES I give permission

NO I do not give permission

This agreement will remain in force until the child reaches the age of 18 or is reversed by the parent/guardian.

I undertake not to take photographs/videos of any child other than my own whilst on Church premises or activities. If other children are in the background then that photo/video will not be published or shared.
